Section of County Road 121 to Temporarily Close this Summer for Erosion Repair *Detour will be in place for northbound and southbound drivers*

Nassau County, Fla. – The Florida Department of Transportation is scheduled to temporarily close a portion of County Road 121/Baldwin and Saint George Road in Nassau County in early July 2019. The closure will be in place until rehabilitation work is completed on a bridge culvert damaged from erosion.

The 27-mile detour will take northbound and southbound drivers on County Road 121 to U.S. 301 via County Road 108 and Henry Smith Road.

Electronic message boards will be placed on County Road 121 to notify motorists of the closure in advance. Motorists are encouraged to download the Florida 511 app to plan ahead.

Work on this \$387,00 project is estimated for completion in winter 2019, weather and unforeseen circumstances permitting.
